She was a GP at Woolton Hill Surgery for some years and has recently returned from spending a year in Namibia where she used her medical skills to treat local tribespeople. She will talk to us about her experiences and will illustrate her talk with her own photographs. Her talk will probably be of interest to partners and friends who will be welcomed to attend the meeting as always. Please notify if you intend to bring guests in the usual way. The timing and form of the meeting will be as normal (ie 6:00 for 6:15 and finish about 7:30)
